## EAA Chapter Board Meeting

**The Meeting** was called to order at 7:02 PM by Pres. Jim Bremer;; Officers present; Vice Pres. Paul Gilman; Treasurer, Barbara Crooker; Secretary, Herb Zuidema. Directors present: Dick Wilkinson, Jack Limmer, Julia Ostendorf and Wayne Pero.

**Minutes of the last meeting:** Motion by Dick W. and Second by Wayne P. that the Minutes be approved. Motion passed.

**Treasurer's report:** Barbara C. presented the Financial Report as of this date. Motion by Dick W. and second by Wayne P. that the current month's report be accepted. Motion passed.

### Old Business:

**Aviation Day Financial Summary:** Chapter Treasurer reported that Aviation Day receipts and expenses are all in. The net revenue received for the Aviation Day 2019 was \$2,329.00. As agreed upon, half of that amount goes to the 99's or \$1164.50. It was moved by Dick W. and second by Wayne P. to instruct the Treasurer to write a check for \$1164.50 payable to the 99's. Motion passed.

**EAA Chapter 157 Scholarship Recipient :** No report was available.

**Young Eagle Flights/Benton Airpark:** Barbara C. reported the sign up for YE Flights (see Flyer above) through social media has been quite successful with about 35 kids signed up. However, she is in need of pilots and aircraft. Two pilots have had to cancel for various reasons. **Therefore....HELP! Barbara needs more qualified pilots. Kids are signing up fast. Contact Barbara C. at 530 549 4275 or 530 515 7929**

### New Business:

**Nominating Committee-Chapter Officers/Directors Elections 2020:** Pres. Jim B. asked for suggestion for a Nominating Committee. Suggested names were Dick Wilkinson, Eric Marshall and Wayne Mc Connel. Pres. Jim B. said he would contact the forenamed people to ask if they would serve.

**Octoberfest 2019:** Saturday October 12 starting at 5:30 pm with a traditional dinner. Entertainment to follow with a selected movie. It was suggested that we invite just the local aviation community but welcome anyone who wishes to fly-in for the event. There won't be any camping out with your plane (city regulation requires a permit.) There will be some "house/yard cleaning" scheduled the Friday before (Oct. 11, 2019) at 5:30 pm. Can you help ??????

**Chapter Dinner Meeting will be September 17, 2019** Dinner this month will be prepared by a trio of outstanding Chefs (welllll.... only one really). They are Wayne Pero, Long Horn Jack Rochette and Herb Zuidema. Menu will be Tri Tip sandwiches with all the "fixing" plus ice cream (and a surprise) for dessert. With this fine trio of Outstanding (far from the kitchen....that is) Chefs we will have a wonderful dinner for a hot summer day in Redding. *Bring along a friend who might get bitten by the aviation bug. We'll have the evap. cooler going.*

**September Dinner Meeting Program:** Our Program Chairman reports: This month's Program will be a selection of some great aviation films from You Tube (thanks to ShastaBeam.high speed internet.....see logo above)

**Note:** *On the last page of this Newsletter you will find a sign-up list for volunteering to prepare at least one (more if you choose) Chapter dinner during the year of 2019. Will you help? Thrill us with a menu from your store house of par excellence cooking. Call Dick W. (246 9131) let him know which month you can do it. Thank you.*

**Passing:** It is with great sadness to report the passing of Wally Haas. Wally and Bette were helpers at our Young Eagle Flights in years passed before for health reasons they could no longer do it. Wally's interest in aviation in prior years prompted he and Bette to help support the development of the Flight Simulator by donating a generator for stand-alone power. Wally and Bette friendships with this Editor go back many years into the late 70's as we both served as fellow architects in Pasadena, CA and in the American Institute of Architects, Pasadena & Foothill Chapter.

### **Aircraft Builders**

#### **AIRCRAFT UNDER CONSTRUCTION/RESTORATION**

In recent discussions, the Board of Directors realized we don't know how many homebuilders there are in the area, or who they are. We set about creating a list of the builders we know of, to build a resource for helping one another and networking. For example, if someone has a problem with some aspect of building a particular model of RV, the list could help him find someone who has experience with that aircraft. Another purpose for the list could be to contact homebuilders who are not Chapter members to encourage them to attend meetings and join the Chapter. Another purpose for the list could be as a resource to invite homebuilders to occasionally participate as panel members for a program for a regular meeting of the whole membership, to discuss aspects of homebuilding that would be of general interest.

To make this resource successful, we need your help. Attached is a start of a list of homebuilders who fly out of either Benton Field or Redding Muni. As you will see, we don't have a complete list of mail and/or phone numbers and there may be other homebuilders that should be on the list. If you know a phone number, email address or other names, please send an email to Herb Zuidema herb@eaa157. Or 530 275 5103
