## Aircraft Builders

### AIRCRAFT UNDER CONSTRUCTION/RESTORATION

In recent discussions, the Board of Directors realized we don't know how many homebuilders there are in the area, or who they are. We set about creating a list of the builders we know of, to build a resource for helping one another and networking. For example, if someone has a problem with some aspect of building a particular model of RV, the list could help him find someone who has experience with that aircraft. Another purpose for the list could be to contact homebuilders who are not Chapter members to encourage them to attend meetings and join the Chapter. Another purpose for the list could be as a resource to invite homebuilders to occasionally participate

as panel members for a program for a regular meeting of the whole membership, to discuss aspects of homebuilding that would be of general interest.

To make this resource successful, we need your help. Attached is a start of a list of homebuilders who fly out of either Benton Field or Redding Muni. As you will see, we don't have a complete list of mail and/or phone numbers and there may be other homebuilders that should be on the list. If you know a phone number, email address or other names, please send an email to Herb Zuidema herb@eaa157. Or 530 275 5103

**GREAT TRUTHS ABOUT GROWING OLD**

- 1) Growing old is mandatory; growing up is optional.
- 2) Forget the health food. I need all the preservatives I can get.
- 3) When you fall down, you wonder what else you can do while you're down there.
- 4) You're getting old when you get the same sensation from a rocking chair that you once got from a roller coaster.
- 5) It's frustrating when you know all the answers but nobody bothers to ask you the questions.
- 6) Time may be a great healer, but it's a lousy beautician.
- 7) Wisdom comes with age, but sometimes age comes alone.

**GREAT TRUTHS THAT ADULTS HAVE LEARNED:**

- 1) Raising teenagers is like nailing Jello to a tree.
- 2) Wrinkles don't hurt.
- 3) Families are like fudge...mostly sweet, with a few nuts.
- 4) **Today's** mighty oak is just **yesterday's** nut that held its ground.
- 5) Laughing is good exercise. It's like jogging on the inside.
- 6) Middle age is when you choose your cereal for the fiber, not the toy.

**GREAT TRUTHS THAT LITTLE CHILDREN HAVE LEARNED:**

- 1) No matter how hard you try, you can't baptize cats.
- 2) When your Mom is mad at your Dad, don't let her brush your hair.
- 3) If your sister hits you, don't hit her back. They always catch the second person.
- 4) Never ask your 3-year old brother to hold a tomato.
- 5) You can't trust dogs to watch your food.
